

TEHACHAPI-CUMMINGS COUNTY WATER DISTRICT

WRITTEN REPORT OF PROPOSED BENEFIT ASSESSMENT FOR TEHACHAPI WATERSHED PROJECT FISCAL YEAR 2017-2018

1.00 INTRODUCTION

Tehachapi-Cummings County Water District (the "District"), the City of Tehachapi, the Kern County Water Agency (the "Agency") and the Tehachapi Resource Conservation District are co-sponsors of the Tehachapi Watershed Project, a flood control project which was constructed by the District with the assistance of the Soil Conservation Service of the United States Department of Agriculture (the "Project"). The physical structures and operation of the Project are set forth in the Tehachapi Watershed Plan and Environmental Impact Statement dated July 1980 (the "Plan") which is incorporated herein by reference.

As a condition of obtaining federal funds for construction of the Project under the Watershed Protection and Flood Prevention Act (Pub. Law 83-566; 16 U.S.C., § 1001 *et seq.*), the District assumed full responsibility for operation, maintenance and replacement of all structural measures of the Project pursuant to the Operation and Maintenance Agreement dated July 7, 1983 between the District and the Soil Conservation Service.

On December 21, 1983, the District's Consulting Engineers, Rickett, Ward & Delmarter, filed with the Secretary of the District their "Written Report of Proposed Benefit Assessments for Tehachapi Watershed Project" (the "Engineer's Report"), which identified the area benefited by the Project and recommended a method of assessing land and utility rights-of-way within the area benefited pursuant to the Benefit Assessment Act of 1982 (Stats. 1982, ch. 489; Gov. Code, § 54701 *et seq.*; the "Act"). By Resolution No. 37-83, the Board formally instituted proceedings under the Act and ordered that public hearings on the Engineer's Report be held on February 14, 1984. Following two duly noticed hearings on February 14, 1984 and a further hearing on February 28, 1984, the Board adopted Resolution No. 5-84 and established assessments on all non-exempt property within Zone No. 1 for fiscal year 1984-1985. By Resolution No. 6-84, also adopted by the Board on February 28, 1984, the Board called a special election to be held on June 5, 1984 on the proposition as to whether the District should levy an annual assessment beginning with fiscal year 1984-1985 on all non-exempt parcels of land and utility rights-of-way benefited by the Tehachapi Watershed Project as determined and in the manner set forth in Resolution No. 5-84. At such election, the proposition passed by a vote of 367 votes in favor, 209 against. Upon approval by the voters, the fiscal year 1984-1985 assessment took effect as provided in the Act and the assessments were thereafter collected on the County of Kern's 1985 general tax bills. As provided by the Act, the Board has set assessments for subsequent fiscal years after considering subsequent assessment reports. By Resolution No. 19-87, the Board made minor boundary adjustments to Zone No. 1.

2.00 PREVIOUSLY ADOPTED AND VOTER APPROVED METHOD OF SPREADING THE ASSESSMENT

On June 21, 2017, the Board adopted the Preliminary Fiscal Year 2017-2018 budget for the Project. After taking into account other sources of revenue, the District must raise by means of benefit assessments on assessable property within Zone No. 1 \$106,000 for operation and maintenance, including reserves for repair and replacement of facilities. Although the Act empowers the Board to determine and impose written assessments in years following the first levy without a written assessment report and without a prior hearing, the Board directed the District's staff to update the Assessment Report and to recommend specific assessments on all assessable property within Zone No. 1 for fiscal year 2017-2018. The Board also scheduled a public hearing for 3:00 p.m. on July 19, 2017 at the Golden Hills Community Service District's meeting room to hear and consider all protests to the assessments proposed to be levied within Zone No. 1 for fiscal year 2017-2018.

In updating the fiscal year 2017-2018 Assessment Report, the District's staff has reviewed all zone changes, lot splits, changes of ownership and new construction within Zone No. 1 so as to update the land use categories and land use factors for locally assessed parcels within Zone No. 1. Because the State utility roll is no longer broken down by tax code area, the District's staff mailed to each utility owning property within Zone No. 1 a questionnaire as to what changes have occurred in utility rights-of-way and improvements over the last year. Each utility was asked to update the previous year's utility roll and inform the District of any changes in values for existing improvements, values of property deleted and values of new property constructed within utilities rights-of-way within Zone No. 1. The utilities were further advised that if they did not respond the District would presume that there have been no changes since last year and the District would increase valuations by two percent. Based upon the responses received by the District to the questionnaires, the total assessed value of all utility rights-of-way and improvements located therein is \$27,814,540. The most recent information available from the County of Kern shows the assessed value of land and improvements on the local roll to be \$443,845,468. The total valuation of all assessable land and improvements within Zone No. 1, therefore, is \$471,660,008, of which 6% is attributable to utility rights-of-way and improvements located thereon. It is recommended, then, that 6% of the 2017-2018 fiscal year benefit assessment be levied against utility rights-of-way and improvements within Zone No. 1 and 94% of the total assessment be levied against locally assessed real property and improvements.

The method of spreading the aggregate amount required to be raised to operate and maintain the Project as adopted by prior District resolutions approved by the voters is as follows:

State Assessed Utility Rights-of-Way Property and Improvements

Each item of right-of-way property within Zone No. 1 listed on the state roll shall be assessed for fiscal year 2017-2018 an amount determined by the following formula:

$$A_1 = \frac{av_1}{\sum AV} (A)$$

where A_1 = assessment against each item of right-of way property within Zone No. 1, based on utility questionnaires and staff investigation, expressed in dollars;

av_1 = the valuation of such item, based on utility questionnaires and staff investigation, expressed in dollars;

$\sum AV$ = the summation of the valuations of all items of right-of-way property within Zone No. 1, based on utility questionnaires and staff investigation, expressed in dollars;

A = total assessment in Zone No. 1 for the annual operation, maintenance and replacement component and the annual capital component, expressed in dollars.

Locally Assessed Property

Resolution No. 5-84, 6-85, 18-86, and 24-88 established seven land use categories with varying land use factors as follows:

<u>Land Use Category</u>	<u>Land Use Factor</u>
(1) Undevelopable Land	0
(2) Agriculture	1
(3) Agriculture/Commercial or Industrial Transitional	3-1/3
(4) Agriculture/Residential Transitional	5
(5) Rural Residential	5
(6) Commercial/Industrial and Other	24

The amount to be assessed for fiscal year 2017-2018 against each assessable parcel within Zone No. 1 shown on the local secured roll, is determined according to the following formula established by Resolution No. 5-85 and approved by the voters on June 5, 1984:

$$A_1 = \% (A) \frac{a_1 f_1}{\sum af}$$

where A_1 = assessment against parcel, expressed in dollars;

a_1 = area of parcel, expressed in acres to the nearest one hundredth of an acre;

f_1 = land use factor for the parcel;

$\sum af$ = the summation of the area multiplied by the applicable land use factor for all parcels in Zone No. 1, expressed in acres to the nearest one hundredth acre; and

A = total assessment in Zone No. 1 for the annual operation, maintenance and replacement component and the annual capital component, expressed in dollars.

3.00 RECOMMENDED FISCAL YEAR 2017-2018 ASSESSMENTS

1. Description of the Service Proposed to be Financed through Revenue Derived From the Assessment:

It is proposed to raise revenues for the annual costs of operation, maintenance and replacement of the Project in fiscal year 2017-2018 and any capital costs of the Project (not reimbursed by the State of California, paid for by federal funds, or met from the sale of surplus Project lands) as determined in the tentative fiscal year 2017-2018 budget, through a benefit assessment levied pursuant to the Act on all non-exempt parcels of land and utility rights-of-way property benefited by the Project. The area benefited by the Project, as previously determined by the Soil Conservation Service and the District as Zone No. 1 in Resolution No. 5-84, as modified in Resolution 19-87, is more specifically described in Exhibit A to the Fiscal Year 1987-1988 Engineer's Report, which exhibit is incorporated herein by reference.

2. A Description of Each Lot or Parcel of Property Proposed to be Subject to the Benefit Assessment:

The Assessor's Parcel Number for each lot or parcel of assessable land and the description of each item of utility right-of-way property within Zone No. 1 subject to the proposed benefit assessment, are set forth in Exhibit A hereto.

3. The Amount of the Proposed Assessment for Each Parcel and Each Item of Utility Right-of-Way Property:

The aggregate amount of the proposed assessment for fiscal year 2017-2018 is \$106,000. This amount does not exceed the cost of providing flood control protection through the Project in fiscal year 2017-2018. The amount of the proposed assessment for each parcel of land and each item of utility right-of-way are also set forth in Exhibit A hereto. The amount of the assessment imposed on each parcel of land and each item of utility right-of-way property is directly related to the benefit, which will be derived from the Project in fiscal year 2017-2018. The aggregate amount of the proposed assessment and the methodology or formula for spreading the assessment over benefited parcels of land and utility right-of-way property remain the same as imposed by the District prior to the enactment of Article XIID of the California Constitution (Proposition 218). Therefore the assessment proposed herein is exempt from the procedures and approval process set forth in section 4 of Article XIID.

4. The Basis and Schedule of the Assessment.

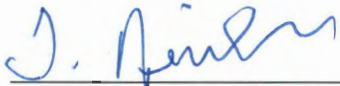

Utility rights-of-way and improvements located thereon within Zone No. 1 shall be assessed 6% of the total assessment. The amount to be assessed to each item of utility right-of-way property in fiscal year 2017-2018 has been calculated according to the formula set forth in section 2.00 above. The amount of the proposed assessment for each item of utility right-of-way property for fiscal year 2017-2018 is shown on Exhibit A hereto.

The balance of the assessment (94%) shall be levied on non-exempt locally assessed land and improvements within Zone No. 1. The amount to be assessed on each parcel of locally assessed land within Zone No. 1 in fiscal year 2017-2018 has been calculated according to the formula set forth in section 2.00 hereof. Current land use factors, based on present zoning of each parcel within Zone No. 1, together with the amount of the proposed assessment for each locally assessed parcel of land within Zone No. 1 for fiscal year 2017-2018, are also shown on Exhibit A hereto.

It is respectfully recommended that the Board fix assessments within Zone No. 1 for the operation, maintenance, replacement and non-reimbursed capital costs of the Project in fiscal year 2017-2018 as set forth in this report.

Dated: July 5, 2017

Respectfully Submitted,

Tom Neisler
General Manager
