

STRATEGIC PLANNING WORKSHOP

GOALS & OBJECTIVES QUESTIONNAIRE

Mission Statement – Our District Mission Statement is:

“Tehachapi-Cummings County Water District’s mission is to ensure the most reliable, cost effective and highest quality water supply within the District through the importation of State Project Water, management of groundwater basins, as well as provide flood protection within specified areas of the District and within the jurisdiction of the District as defined in the State Water code and pertinent statutes of the State of California.”

Does this statement adequately and accurately describe our mission?

Do you think it should be revised or updated? If so, how?

Purpose of Strategic Plan – What do you see as the purpose of developing a Strategic Plan?

District Strengths – What do you see as the strengths of the District?

Areas of Improvement – In what areas do you think the District can improve our service?

Challenges – What challenges do you think the District faces?

Goals & Objectives – What goals and/or objectives should the District strive to attain?

Capital Improvement Plan – Given the Goals & Objectives outlined above, what does the District need to do to meet them?

In the near-term (one to two years)?

In the mid-term (three to five years)?

In the long-term (five to ten years)?

Suggestions – what suggestions can you offer to help the District meet our goals & objectives?

Contact – would you like to be contacted to discuss any of these issues by a Board Member or the General Manager?

If you would like to be contacted, please provide: **OPTIONAL**
